

NEWSLETTER SPETEMBER 2018

Hi fellow golfers

Sorry been a while, been very, very busy with the teaching this summer.

The sun has been out for quite some time, which it's been the hottest for over 40 years. But as soon I go on holiday in Cornwall with the Family, yep its been raining! Well I go to sea! (Which we have!)

Bovey Golf has been very busy with the knockouts, all getting exciting. Away days for the senior's Malcolm Diggins captain at Looe, which I know they had a fab time. Captains days, juniors playing in a national finals, Josh Dawson, Alex Tidmarsh and Louis Leonard, (details below), last years captain Rob Starling playing in past captains final.

Ladies and Tracey Crooks have been building this year, great turnouts for the roll ups. I'm delighted to say most are from academy and lessons, often the case winning with lots of points and handicap reductions.

So next year we hopefully have a stronger team of ladies to play in matches, rather than the bare amount.

Juniors Finals Day Frilford heath GC

The Bovey Juniors did us proud. Well done Louis Leonard, Josh Dawson, Alex Tidmarsh.

A great experience for them all and thanks to Pete and Nicky Cassidy for taking up there and also the parents for allowing them to participate.

Shropshire boys win English Junior Champion Club title

The team of three boys from Horsehay Village Golf Club in Shropshire have won the title of English Junior Champion Club.

Captain Euan Muttitt-Jones, Luke Kelsey and Curtis Ritchie romped to a six-point win in the final, which was played as part of England Golf Week at Frilford Heath Golf

Club, Oxfordshire.

Liz Tolster, the club's junior organiser, commented: "We are over the moon. They are really good lads and they have worked really hard to be here and to put in the performance they have.

"It was a hard-fought campaign to get here – we had to win the county junior league – but we have an excellent coach, Matt Lea, who produces a stream of really good golfers."

After the first round, when they scored 76 points, the team was lying in joint second place. Their plan was simple: "They were going to smash it – and they did!" said Liz.

They added 83 points to finish on 159 and easily outstripped their opposition. Kelsey contributed scores of 39, 42 and Ritchie provided 37, 41.

The runners up on 153 points were Sunbury Golf Club, Surrey, pipping St Mellion, Cornwall, on countback. Three teams tied for fourth place on 150 including the all-girl trio from Lymm, Cheshire. They were joined by Longcliffe in Leicestershire, and Bourn in Cambridgeshire.

Horsehay Village has a strong junior section with players, including Muttitt-Jones, winning county titles. He also played for the club the last time they reached the final of the Junior Champion Club, back in 2015. Now, he's almost 16 while Kelsey and Ritchie are both 14.

The individual winner was Oliver Toyer from Bourn, who had scores of 40, 43, finishing two clear of Kelsey.

England Golf Week is a five-day festival of handicap golf and features the final of a host of team and individual events for club players.

With all four of **Golf's majors done and dusted for the year, all focus switches to the **Ryder Cup**.**

European captain Thomas Bjorn is tasked with turning the tide back from America, who strolled to a 17-11 victory in Hazeltine two years ago.

USA currently hold all three transatlantic team competitions while three of the four major titles are currently held by Americans.

Both Bjorn and his star-spangled counterpart, Jim Furyk, will be boast perhaps the best 12-man team on both sides of the Atlantic for some time.

When is it?

The three day event will be held between Friday, September 28 and Sunday, September 30.

Where is it?

Le Golf National, just outside Paris, France, will host the Ryder Cup after USA played host at Hazeltine in 2016.

Who is playing? Confirmed USA players

SENOIR COACHING TIPS NO.2

Last time we were talking about grip pressure this time the turn!

Now many seniors are less flexible, understandably so, so when it comes to turning it feels difficult. The fault I see many senior's swings is the lack of turn, arms lift and the shoulders are lifting in rotator cuffs become if feels easier. This causes little or no turn and no hand and wrist movement, the left arm stays straight and wrists stay firm. Usually a very steep angle of backswing which in return cause a steep angle of attack.

Dual tip:

Try and drag the right foot back a few inches, this will help the turn of hips and shoulders at the same time.

Then turn the body/chest away so your back is feeling like its pointing at the target.

(Make sure your using the soft hands!)

Simple really! Try it!

Ask me about so I can show you when your at the club next, and see if it works! If not there is other options.

To book an assessment lesson call me to see when is convenient to you or drop and email.
