Bovey tracey golf centre

From the new year the golf course has gradually started to improve with growth, Jimmy and his team are making massive strides to make the golf course not just pretty but also a golf course people are now talking about. Ive been here now 3 years and each year is improving month by month. As pictures well show!

Our sister club Wrangaton also is blooming in all its glory, so if you haven't been up there, please get your clubs and trolley up there and walk the moor! It's a treat.

We now have a dual membership for Bovey and Wrangaton golf club. See the application below.

If you haven't joined you are missing out on free golf balls for the range and the use of the par 3 course also free of charge. Also receiving in the pack a voucher for up to 5 guests either at Bovey or at Wrangaton.

Juniors:

Our juniors are continuing to flourish here at Foxy's junior school of golf. Around 20 have started their journey to golf access which allows the juniors to play on a shorter course to 1, enjoy the full lay out of a course and greens, also to gain valuable experience of course management. This will lead them on to obtaining an full handicap to bring them in to line with the adults and play competitive golf.

Some of my past juniors that have followed me down to Bovey and some new recruitment are doing incredibly well. We had a 1st and 2nd place in the national college finals. And just last week under 25 champion and Devon champion.
